Dear Andrew & Helen,

I write you both this letter to say a big **"Thank you"** for the excellent results that the LMA course that Sharron Morley & Carly Hodder attended has created.

We as estate agents attend lots of training & most of it seem to enter one ear then straight out the other.

I have seen a "HUGE" change in both Sharron's & Carly's work, attitude & general wellbeing since they attended & completed the course.

Both you (Andrew & Helen) always followed up with what you promised & I would highly recommend this course to any business owner wanting to get more out of their team.

Please pass my details on to anyone considering this course if they would like to discuss further – 0414 680 512

Regards

Andrew Gillespie
